

**IN THE SIXTEENTH JUDICIAL CIRCUIT OF MISSOURI  
FAMILY COURT DIVISION**

IN RE: Security & Entry Control –  
Family Justice Center, 625 East  
26<sup>th</sup> Street, Kansas City, MO

ADMINISTRATIVE ORDER: 06-07

**WHEREAS**, open access to secure, safe courts promotes a sense of confidence in the stability of civil government; and

**WHEREAS**, the Family Court has been upgrading its security equipment, policies and procedures to respond to the need for increased security and has as a result improved the physical screening process and installed new physical controls which have resulted from security studies conducted by the Office of the State Courts Administrator and an independent consultant;

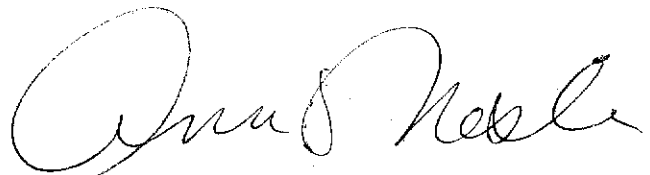

**IT IS HEREBY ORDERED THAT:**

- All Family Court Division employees, including judicial division employees, shall fully comply with the court security policies, procedures, and operational rules as promulgated by the Deputy Court Administrator and through or by the Director of Support Services, who has responsibility for court security and the Court Security Unit;
- All Family Court Division employees, including judicial division employees, shall cooperate with the Court Security Officers and law enforcement personnel in the performance of their official duties;
- All outside agency employees who may have offices located in the facility and/or who are granted electronic cardkey access shall also take all necessary actions to comply with the court security policies, procedures, and operational rules as promulgated by the Deputy Court Administrator and through the Director of Support Services, who provides oversight of court security and the Court Security Unit;

**IT IS SO ORDERED:**
