ORDER REGARDING ATTORNEY AND GUARDIAN AD LITEM APPOINTMENTS
IN CHAPTER 211, RSMO MATTERS AND ATTORNEY APPOINTMENTS IN
CIVIL CONTEMPT ACTIONS FILED IN THE FAMILY COURT DIVISION
OF THE CIRCUIT COURT OF JACKSON COUNTY, MISSOURI

Now on this 16th day of July, 2010, pursuant to Local Rule 21.6.1 (2003), and upon this Court's authority as Administrative Judge of the Family Court Division, and the Missouri Supreme Court Mandate in State of Missouri, ex rel. Family Support Division-Child Support Enforcement, and Tracy L. Stude v. Terry Lane, Opinion No. 70715 (W.D. 2010), the Court enters the following orders regarding the appointment of attorneys in Chapter 211 RSMo. Proceedings; and in civil contempt proceedings filed in the Family Court Division of the Circuit Court of Jackson County, Missouri, in which the Court has determined that the defendant is indigent and that the offense may be of sufficient gravity that jail time may be warranted.

Appointment of Attorneys and Guardians ad Litem

Local Rule 21.6.1 (2003) governs the appointment of attorneys and guardians ad litem to represent juveniles and parents/custodians in proceedings filed pursuant to Chapter 211 RSMo.

State of Missouri, ex rel. Family Support Division-Child Support Enforcement, and Tracy L. Stude v. Terry Lane, Opinion No. 70715 (W.D. 2010) requires the appointment of attorneys in civil contempt cases in which the Court has determined that the defendant is indigent and that the offense may be of sufficient gravity that jail time may be warranted.

Withdrawal of Attorneys and Guardians ad Litem

Local Rule 21.6.1 (2003) governs the withdrawal of attorneys and guardians ad litem in Chapter 211 RSMo. cases. Upon receipt of an application for withdrawal for an attorney to be relieved of an appointment in either a Chapter 211 case or a civil contempt case filed in the Family Court Division of the Circuit Court of Jackson County, Missouri, the application shall be presented to the Court for consideration, except:

1. If the attorney's request is based upon verified active participation in the Volunteer Attorney Project within the twelve month period preceding the date of the appointment; or

2. If the attorney's request is based on a status which the Court has indicated shall be the basis for leave to withdraw, i.e., currently employed attorneys with the Jackson County Prosecutor's Office; attorneys employed by the Circuit Court of Jackson County, the Missouri Court of Appeals, the Missouri Attorney General's office, the Division of Legal Services, Department of Social Services; United States attorneys for the Western District of Missouri, their assistants, United States attorneys for Kansas, their assistants, Federal Public Defenders, Missouri State Public Defenders; and other such status that may, from time to time, be included by the Administrative Judge of the Family Court Division.

Pursuant to local practice, the Docketing Unit of Family Court Services shall prepare a "leave to withdraw" for any attorney falling within the provisions of sections 1 and 2 above, and shall arrange for a new appointment from the list of attorneys provided by the Missouri Bar.

Termination of Appointment of Attorneys and Guardians ad Litem

An attorney appointed for a parent in a §211.031 case shall receive a copy of the petition filed in any termination of parental rights case involving the same juvenile(s), but an attorney representing a parent in a §211.031 proceeding shall not automatically be appointed in a subsequent termination of parental rights case involving the same juvenile(s). If a parent requests appointment of an attorney in the termination of parental rights case involving the same juvenile(s), the Court will ordinarily appoint the attorney who currently represents the parent in the §211.031 case to represent the parent in the termination of parental rights case involving the same juvenile(s). The subsequent appointment of the attorney in a termination of parental rights case to represent the same parent represented in the §211.031 case shall constitute a new order of appointment for that attorney. The new order of appointment in the termination of parental rights case shall serve as a new appointment for purposes of satisfying the attorney's next obligation for appointment to a §211.031 case (under the Missouri Supreme Court List of Attorneys in Good Standing in Jackson County, Missouri used for appointment to §211.031 cases).

An attorney appointed to represent an indigent party in a civil contempt proceeding filed in the Family Court Division of the Circuit Court of Jackson County, Missouri, shall receive a copy of the underlying judgment upon which the contempt proceeding is based, together with a copy of all pleadings filed with regard to the claim of contempt. The appointment of an attorney in a civil contempt case will terminate with the dismissal or final judgment in the case.

Any Guardian ad litem appointed for the juvenile(s) or for the parent(s) in a §211.031 case shall automatically be appointed in a subsequent termination of parental rights case involving the same juvenile(s).

Orders of appointment in all Chapter 211 cases shall terminate fifty (50) days after the entry of a judgment unless an appeal is taken from the judgment in which case the attorney's appointment shall continue through the issuance of a mandate. If the Court has set a future review hearing, then such appointment shall continue. If the order of appointment has terminated under this provision, no notice of withdrawal is necessary. If an order of appointment has terminated for any other reason, then the attorney shall notify his client and all parties and counsel, of the attorney's withdrawal from the matter.

Upon the filing of a request to proceed in forma pauperis for appeal, a parent will be required to submit a current statement of their financial status to assess current eligibility for appointed counsel.

Motions for leave to withdraw shall be in writing and notice shall be served upon the client at least ten days in advance of such motion's presentation at a hearing.

Attorney and Guardian ad Litem Fees in Section 211.031 RSMo. Proceedings

Local Rule 21.6.1 (2003) will govern the assessment of attorney fees, if any, in section 211.031 RSMo. Proceedings.

Attorney and Guardian ad Litem Fees in Termination of Parental Rights Proceedings

Pursuant to Section 211.462 RSMo., the Court may order the county or the Children's Division to pay fees for attorneys and guardians ad litem appointed in termination of parental rights cases. The Court shall consider reasonable fees in taxing costs as attorney fees against either the county or the Children's Division. Generally, fees shall be taxed using the following guidelines:

- a. The Children's Division maintains an internal attorney fee limit guideline. Although this guideline is not binding on the Court, the Administrative Judge may use discretion to make a finding that the guideline amount will be awarded in a TPR case, if the attorney fee(s) are paid by the Children's Division within a reasonable amount of time as determined by the Administrative Judge.
- b. For purposes of taxing attorney fees, a case is either one individual child or cases involving multiple children heard and tried at the same time, whether or not formally consolidated for trial.
- c. Appointment of pro bono counsel is based upon standard indigency guidelines established by the United States Department of Health and Human Services.
- d. Fees shall be similar for both attorneys and Court appointed guardians ad litem.
- e. Costs of extraordinary expenses must be approved in advance by the Court. Such extraordinary expenses include but are not limited to:
 - 1) Psychiatric/psychological/medical evaluations
 - 2) Expert witnesses
 - 3) Depositions of witnesses

Administrative Order No. 09-07 is hereby set aside and held for naught.

IT IS SO ORDERED.
